

## **Rezealiant Living Earnings Disclaimer Policy**

We make no claims that our products will cure, mitigate, treat or prevent any health conditions or diseases, or claims as to any financial benefits received from promotion of our products. If you decide to purchase or promote our products, your decision is based on your own opinions as to any benefits these products may provide.

Extensive effort has been made to accurately represent Rezealiant Living and our products. We recognize that people may have an interest in sharing our products with others. In terms of any earnings or financial benefits from sharing our products, there are absolutely no guarantees made that you will earn any income from promoting our products or recruiting others to promote our products.

Any marketing materials, techniques, suggestions, trainings or other info provided to assist in the promotion and sharing of Rezealiant Living's products should not be taken as a promise or assurance of revenues. Earnings potential is completely dependent on the efforts and abilities of each individual, and based on that, utilizing our trainings, ideas, marketing materials, or creative designs, cannot guarantee any specific results.

Rezealiant Living makes no representation of any income earnings that you may achieve by promoting our products or working within our Affiliate program. Your degree of success in attaining any earning results by sharing products may depend on the time you commit to the program, enthusiasm, effectiveness of your strategies, your financial resources to promote, expertise, as well as your skill and abilities. Because these elements differ according to each individual, we can never guarantee your level of success or earnings potential promoting our products.

Rezealiant Living does provide an Affiliate Referral program opportunity which includes commission compensation when products are sold through promotion of our products. Within our Affiliate program, we offer sales promotion materials, training, and marketing materials that can be used to share our products with others. We do not make any claims that these marketing tools will provide you any level of earnings success or financial gain. Numerous factors will determine your actual results and no assurances are made that you will achieve outcomes comparable to any other individual Affiliate. No assurances are made that you will attain any kind of results from sales strategies in our materials.
